Broadband Project Meeting Notice

The four towns FHMS Committee are meeting on Thursday, January 21, at 4:30 pm in Florida Ma to discuss the current status of the FHMS Broadband Project. Citizens are invited to join by call in or connect online on **Freeconferencecall.com** only. We ask you to please not interrupt meeting with questions. There will be a citizens' Q&A at the end of the agenda for questions we did not discuss during the meeting. We will ask for your input as we need it.

How to join the meeting via Freeconferencecall.com

- Dial-in phone number **(978) 990-5459**
 - Access code **774695#**
- Mute/Unmute (your line only: *6/*6)
To Terminate call hang up

If you want to **connect online**, go to www.freeconferencecall.com and click "join a meeting", then enter the online meeting ID.

- Online meeting ID **kthwingjr**

A G E N D A

1. Review and approve minutes from the Dec 3, 2020 meeting.
2. Report from Brian on:
 - What has not been completed on Phase 3 and when will it be complete?
 - How many customers have been connected to Phase 3 sites and how many total connected customers in each town?
 - When will CAF2 testing be done so Phase 3 report can be submitted?
 - Status of all Phase 4 sites including utility company connections.
 - Status of Heath Special Permit for pole in Heath.
 - Status of Construction drawings for Borden Mountain permit submission, and who we think should own the Borden Mountain facilities we build.
 - Status of CBRS deployment and explanation of why CBRS is expected to be a game changer.
 - What is the network redundancy at this time?
 - Where are network problems such as at flo-bli and haw-ehr and what needs to be done to resolve them?
 - How to address the homes that cannot get service from poles we expected would provide it such as Norcross near haw-ste?

3. Get Certification of Completion of Phase 3 to the towns for signatures by selectboards.
4. Discussion of any customer service issues.
5. How can we boost the backlog of customers waiting for installation?
6. Any comments from Otelco or Design Nine?
7. Any other business?
8. Schedule next meeting date.
