Select Board Meeting Minutes

May 24, 2022

Members Present: Russell Clarke, Gerard Bergeron

Also Present: Justin Kaczowski

Meeting called to order at 5:14 PM by R Clarke

Discussion:

- Possible re-wording of Town Administrator Article: Cost is 20K but goes up next year, can we use \$20K without going through BRPC? Especially if other towns decide against
- BOH – no need to outsource perc/Title 5 witness unless a conflict, can pay as needed. BOH is currently a revolving account.
- Plumbing, wire Inspector are also revolving accounts – address possible fee changes at a later date, especially when multiple inspections & reinspections are needed
- \$1500 taken out of budget for veterans services – we already have a Veteran's Agent
- Question about funds for town park wiring – there is \$2000 for expenses, McCann will do the electrical work
- Selectboard to look into possible funds for payment to boards, committees and other ways to increase participation in town. How to get info out, especially for those without computer/internet
- Justin K. verified with Andrew Provost, Highway Superintendent, that funds were okay for Highway for FY23. Andrew looking into quotes for highway building, materials costs keep rising. \$20,000 for now for building maintenance is ok to start but should be a priority. Also increased funding for training by \$500.
- Joan Ziter (Cemetery Comm) verified that money would be available for cemetery repair. \$2000 currently available for deposit, additional \$3800 appropriated for next FY 23.

Meeting adjourned by Russell Clarke at 6:37 PM (G Bergeron second)
